Features and Benefits

- Solution-dyed nylon fibers provide superior colour and wash fastness.
- 100 % Nitrile EXS™ Rubber backing prevents curling and cracking in all types of weather.
- LUTRADUR™ primary substrate will not fray, reduces linting, and provides a strong bond between the rubber and the carpet.
- High Twist heat set nylon fibers are resistant against crushing and allow dirt to filter into the mat rather than remaining on top of the carpeted surface.
- Bleach / UV resistant.
